Special Thanks to our Volunteers and Sponsors

The success of the 2016 Bike MS: Breakaway to Key Largo is directly related to all of the wonderful volunteers who help make the event run as smoothly and safely as possible. Volunteers are one of the reasons participants come back every year and tell us that the “Breakaway To Key Largo” is the best. We couldn’t have done it without you! We would also like to thank the Strategic Planning Team and the awesome interns that have helped all year!

The generosity of corporate partners allows us to provide more funds to research, advocacy, programs and services for persons living with MS. We appreciate our corporate partners for recognizing this compelling cause and thank them for making it their business to see a world free of MS.
